

Dear Guest,

*It gives us great pleasure to introduce you
to the Woodenbridge Hotel & Lodge.*

*Situated in the Vale of Avoca, one of Ireland's most beautiful locations,
Woodenbridge Hotel & Lodge combines all the charm of yesteryear with all
the facilities required of a modern hotel.*

*Established in 1608, **Woodenbridge Hotel** is the oldest hotel in Ireland
and some of our past guests include Michael Collins, Eamon de Valera,
Charles Stewart Parnell and Thomas Moore, who have all been captivated
by the idyllic wonder of Woodenbridge. The main hotel has 29 well-
appointed bedrooms all ensuite. The main hotel overlooks the Vale of Avoca
and the amazing scenery of the Woodenbridge Golf Club.*

***Woodenbridge Lodge** is the more modern part of the hotel and the home of
the newly opened Smokehouse Restaurant. It is adjacent from the main hotel
in wonderful, landscaped gardens overlooking the Aughrim River.
There are 40 bedrooms that can avail of all the facilities of the main hotel,
but are away from the hustle and bustle. Twenty of the rooms here have
their very own balconies.*

*We pride ourselves in ensuring that every guest's stay is pleasant and
fulfilling and whether you are here for golf, a function, business or leisure,
we hope that you have an enjoyable visit.*
