DOTS & BOXES

Challenge your Mum or Dad to this game

HOW TO PLAY

1. Take turns drawing horizontal or vertical lines between adjacent dots connecting them together. No diagonals!
2. If you complete a full square, write your initial in the box and take 1 extra turn. If your line creates two boxes, then you get to put your initial in both of them (you only get 1 extra turn though)
3. The player who gets most boxes wins!
